## **NEWSLETTERS**

**Organizational Tip:** All newsletters will include a subject line that starts with the phrase “Park Charleston HOA”. You may set up a rule in your email software to automatically put emails with this phrase in the subject line into a special email folder in your inbox to keep all of the Park Charleston HOA Newsletters in one email subfolder.

## **Be a Responsible Pet Owner**

Keeping your animals in your fenced yard or on a leash is required by city ordinance and Park Charleston covenants. Picking up waste from your animals is also required on public or private property, not your own. Left behind “accidents” are obvious along our sidewalks. Please be a responsible pet owner and follow the law for everyone’s benefit. Please do not leave dog waste in your neighbor’s yard or in the common area green spaces.

## Decorating Committee

Thank you to our Decorating Committee for always making the holidays special in our neighborhood. Wishing you and yours a very Happy New Year!
